

Tips for Using the new AquaBrowser Online Catalog

How do I find out where the material is and if it is available for check-out?

In order to find out if the item is available you have to click on the item and then scroll down past the **tags** to the **location** (library).

The screenshot shows the SELCO (Southeastern Libraries Cooperating) online catalog interface. The search term 'diamonds' is entered in the search bar. The results page displays the book 'The Diamonds' by Ted Michael. The 'Tags' field is highlighted with a blue arrow, and the 'Location' table is highlighted with a red arrow.
